3. In the instance where a student has to go overseas for the final year of his course of study, as in a (3 + 1) programme, an exception may be made. The course of study must be compliant with the syllabus taught in public or private institutions recognised by the Ministry of Education. Only candidates who meet the requirements will be called for an interview.
4. A Letter of Offer has to be made by a University/College before an Application Form for the Scholarship may be submitted. The Scholarship is for tuition and compulsory academic fees only. The Diocese of West Malaysia will make direct payments to the University/College. Successful candidates may not hold a scholarship from another source to cover tuition and compulsory academic fees. They may however, receive supplementary support from other sources to cover living expenses.
5. Successful applicants will have the Scholarship awarded to them for a period of up to four years. Successful applicants must look for a guarantor/surety to sign the agreement as a guarantee that the applicant will fulfil the terms and conditions of the agreement. The latest 3 months' salary slip of the guarantor/surety must be submitted when the agreement is signed together with a copy of his/her MyKad or IC (front and back).
