We thank God for the leadership training which was held at MonQLand, Seremban from 22 to 23 July 2022. The total number of people who attended the training was 17 and the program started at 11a.m. The participants assembled and had a fun time in getting to know one another, while playing some ice breaker games. The welcome address given by Ms. Rethi Grace, a chairperson of Diocesan Women's Committee. The theme speaker was Dss. Jacintha Tagal from the Holy Trinity Bukit Bintang (HTBT), Kuala Lumpur. The speaker delivered her opening message using John 2: 1-11 "Jesus Changes Water into Wine". This was followed by theme talk and the training contained various topics as follows:

1. Called to create
2. How to lead through change
3. Leading upwards: What is the place of leading upwards, and how do we do it well?
4. Why lead others? What is the place of leadership in the church and Kingdom of God?
5. How do we use the tool of giving and receiving feedback to move forward in charting vision, nurturing thriving environments, and improving systems of replication?

There was a lot of excitement as the participants involved in group discussion and leadership activity. During the break time, the participants also took part in a farm visit at MonQLand.

On the second day, the participants took part in opening service lead by Dss.Rani and Dss. Emily. This was followed by sharing and testimonies. The program ended at 12.00pm with the prayer and a fellowship lunch.

The committee thanks Dss. Logeswary for helping to facilitate and organize the training. Feedback from participants was very positive and encouraging. We thank our Lord Jesus Christ for His grace and strength for the successful completion of the program.
