

We hope that at the end of their journey, pilgrims will be inspired to embrace a Jesus-shaped life and to continue the work before us.

LITURGICAL FORMATION

As part of mission and spiritual development, the committee is also holding several webinars, retreats, and events to provide perspectives on liturgical formation. Here are a number of activities that will be organised throughout the year.

- Monthly webinars on Anglican liturgy according to feast days in the Lectionary.
- Daily online morning prayers during Lent. The main resource and material is "At the Foot of the Cross".
- Spiritual retreats.
- Lectures, forums, and round-table discussions to engage with clergy and laity to extend discourse on liturgical formation.

A FAITH JOURNEY FOR HEART, SOUL, MIND, & STRENGTH.

As part of this season, **Footprints of God** beckons pilgrims from Malaysia and around the world to embark on a spiritual journey; a time set apart for renewed faith and trust in God's purposes.

In line with our watching and waiting for God, we too need to be intentional about our healing and journey to becoming Salt and Light in our world.

All pilgrimages are organised to encourage healing and reconciliation.

Pilgrimages are also designed to include the rich history and heritage of the Malaysian Anglican Church – a narrative of mission and leadership, inspired by people and stories who stand as a testament to God's hand on Malaysia.

TRACING THE FOOTPRINTS OF GOD

The Anglican Church of West Malaysia has celebrated 53 years of God's goodness in Malaysia. Throughout the years, we have witnessed God walking with his people, breaking ground and planting seeds of hope, faith, and love.

Since 2021, the Diocese has set aside the next 10 years as a Season of Preparation, urging the Church to actively participate in the journey of watching and waiting for God's promise to make all things new.
